### SECOND ORDER OF BUSINESS Organizational Matters

A. Oath of Office Newly Elected Supervisors – Mr. Howard Hoffman, Ms. Kathleen Moss and Dr. Howard Entman

**Audience Comments** 

• Ms. Davis, a Notary Public of the State of Florida administered the oaths of office to Mr. Hoffman, Ms. Moss, and Dr. Entman.

# THIRD ORDER OF BUSINESS

Mr. Joe Matthews addressed the fishing pier.

- o Mr. Hoffman noted they have proposals which they will discuss later in the meeting.
- Ms. Lisa Reinstine addressed a Public Records request for invoices and receipts that are not included in the meeting packet and the cost of \$81 to produce those invoices and receipts. She further addressed how some other CDDs include this information in the meeting packets. She inquired if this is something the Board would ask Inframark to do.
  - O Discussion ensued and it was noted that the Board members have always had access to the invoices if they questions on payments in the check register.

# SECOND ORDER OF BUSINESS Organizational Matters (continued)

- B. Election of Officers Resolution 2023-3
- Mr. Hoffman noted four years ago, the decided the Chair position should be rotating on a two-year basis.

Mr. Hoffman nominated Ms. Moss as Chair and Ms. Perna seconded the nomination. Hearing no further nominations Ms. Moss was elected Chair.

Ms. Moss nominated Ms. Perna as Vice Chair and Mr. Hoffman seconded the nomination. Hearing no further nominations Ms. Perna was elected Vice Chair.

On MOTION by Mr. Hoffman seconded by Dr. Entman, with all in favor, Resolution 2023-3 a resolution designating officers of the Marshall Creek Community Development District with Kathy Moss as Chair, Monique Perna as Vice Chair, Janice Eggleton Davis as Secretary, Stephen Bloom as Treasurer, Bob Koncar as Assistant Treasurer and Howard Entman, Howard Hoffman and Richard Luciano as Assistant Secretaries was adopted.

# SIXTH ORDER OF BUSINESS General Manager's Operations Report

- Ms. Moss noted a Ms. Sarah Frasca is in attendance with a presentation from Trasca & Co Café as a potential vendor for poolside dining.
- Ms. Gunia noted Trasca & Co Café is established in Ponte Vedra and Tolomato. They will present an opportunity to have them on premise to provide great service starting Spring/Summer.

- Ms. Frasca introduced their General Manager, Dominic Rossi, and noted she would be sharing some information about their restaurant and some of their thoughts as they move toward a possible offering for the community. The area formerly known as the snack bar could become the Trasco & Co Café. Provided an overview of their mission and business. A presentation was reviewed.
- Ms. Moss inquired as to the next steps be to price out the existing.
  - O Ms. Frasca noted she has engaged an architect and a contractor, and the District would have to contract with them.
- Dr. Entman inquired how much this is going to cost the CDD.
  - Ms. Frasca noted it will depend on what they want a full pizza oven, just sandwiches, salads, etcetera. If there is beer and wine, they will need a draft cooler. As they talk about the types of menu items they want, that determines the equipment needed. If they want to have a bigger menu, they need to have a bigger kitchen.
  - Ms. Gunia noted another thing to consider is turnover time. A broader menu would be better received, but in their experience with Kokomo's, it seems the current space hit the limit.
- Mr. Luciano inquired if there is a business plan to start small and grow it; not a \$500,000 investment by someone.
  - o Ms. Frasca noted she would suggest a leasing model for equipment.
- Ms. Moss addressed starting with a smaller menu for the space that they have, and then start to branch out from there.
- Mr. Luciano inquired if they are pitching this to any of the larger communities in this area.
  - O Ms. Frasca noted that is how they actually became connected, FSR has been pitching them around 14 communities they want to bring them to from here to Tallahassee. At this moment, they are not talking to anyone else, though they have talked to others.
- Ms. Perna noted they need to do something, but she would like to see something that is a little more tuned in where they have a Plan A, Plan B and Plan C.
- Ms. Gunia inquired if it would be in the CDD's best interest to meet with the architect and contractor to get an idea of minimal, good and great.

- Dr. Entman noted he thinks the Board should discuss this among themselves before they get carried away and starting planning menus and whatnot. He inquired where Trasca's skin is in the game what are they putting into this? They are asking the CDD to pony up the money and the development costs. What do they bring to the table other than grandmother's recipe?
  - Ms. Frasca responded she would say she did not come to them; they came to her. She is happy to deliver something the community could enjoy, and b be very proud of. She brings the experience, the product, the team, the service, and the very high quality of love in the way they serve their food.
  - o Dr. Entman inquired about a commitment to stay beyond the first year.
  - Ms. Frasca noted while this has not been asked of her, she is not opposed to that. In any arrangement she is open to that type of model or request. One of the components of the equipment is they would like to see it built out to be a thriving restaurant and they would be the operator. What they bring is they will be the CDDs partner to serve the community.
  - Ms. Gunia noted having spoken with multiple vendors that have came here, the feedback was consistent that what could be provided in the current space would be a challenge. Some people said they would prefer to pull a food truck up. In working with Ms. Frasca, they have come to the table with much more of a plan and energy. She thinks it should now be Board discussion, regardless of who they work with, the property does need to be assessed at this time. They did make it into an outside eating area and did provide a snack bar that was well received among the community, but it did have some limitations. She would like to think they are in a position to invest in this property for the best interest of the residents and that is something more than what they have now. If they are looking at Trasca's or different vendors they are still looking at the same space and they need to know now, or next year or five years what is this and she is proposing now so they know what they are or are not working with.
  - O Dr. Entman noted he would like to have a discussion among the Board members before they start voting on it.

- Ms. Moss noted she does not think they are prepared today to vote on anything, but she does think one of the next steps is to look at the facility to see what it is going to cost them as is, or built out a little bit. They have nothing tangible to vote on except the menu.
- Ms. Perna noted her question is if they were to do something with Trasca's, is what is put in there going to be limiting if it did not pan out? Could it be used by another restaurant?
- O Ms. Frasca noted anytime you have used or new equipment it is depreciating very quickly. Nothing would be permanent so it could be sold, through you would not be recouping the exact value you purchased it for.
- O Discussion ensued on renovating and maintaining it as a functional kitchen with it being noted these are the discussions the Board needs to have.
- O Mr. Eckert noted in terms of process, anytime a district hires an engineer there is a competitive process they have to go through if it is over \$35,000 for the fee, construction is a bid limit of \$456,000, and for purchasing goods and supplies the bid limit is \$195,000. He wants everybody to understand there is a process they have to go through should they approach those limits.
- Ms. Frasca noted they did not expect any answers but did want to get in front of them and provide at least a little bit of information.
- The Board thanked Ms. Frasca for the presentation.
- Ms. Moss noted the Board has a lot to think about. Ms. Gunia has done a lot of work with vendors, and they will have to revisit it.

## FOURTH ORDER OF BUSINESS

# **Approval of Minutes of the November 16, 2022 Meeting**

- Mr. Hoffman noted on Page 2 third bullet, there is a comment attributed to Ms. Zamparelli that is not quite right and suggested the comment be removed.
- Ms. Moss addressed a comment on Page 4 attributed to her which she did not say.

On MOTION by Mr. Hoffman seconded by Mr. Luciano, with all in favor, the minutes of the November 16, 2022 meeting were approved as amended.

## A. Discussion of Open Items

None.

# FIFTH ORDER OF BUSINESS Engineer's Report

• Mr. Stilwell noted the item he has is in Ms. Tharpe's report and is Page 22 of the agenda package. They have the end of a pipe going into the pond that has come off the end of the pipe and is falling into the pond. They are trying to do the repair by hand with wheelbarrows as opposed to tearing up the resident's yard. They have a proposal from HEB Services and they would recommend approval. The cost is \$6,875.

On MOTION by Mr. Hoffman seconded by Dr. Entman, with all in favor, the HEB Services proposal in the amount of \$6,875 was approved.

## SIXTH ORDER OF BUSINESS

# **General Manager's Operations Report** (continued)

## A. SJCSO Roving Patrol Violation Log

- Ms. Tharpe reported that on Saturday night the Christmas tree and Menorah were vandalized. Several juveniles were caught, and the police report states they will repay any damage. At this time, it is approximately \$540 with labor.
- Dr. Entman addressed discussions they have had and inquired about the amenity privileges.
  - Ms. Tharpe noted one is a resident and the other three are not, ranging in age from
     12 to 13.
  - Mr. Eckert noted this is the first he is hearing of it and would like to speak with Ms.
     Tharpe after the meeting.
  - O Discussion continued on revoking privileges with Mr. Eckert noted they did not send a letter to them requesting they come to the meeting today. This would need to be placed on the agenda for January.
- Ms. Tharpe noted they are still waiting on the third quote for the electrical at Treehouse.

On MOTION by Mr. Hoffman seconded by Ms. Perna, with all in favor, giving Ms. Tharpe the authority to spend up to \$9,000 to get the repair made was approved.

- Mr. Hoffman noted hopefully next month they will have more estimates and can talk about the fishing pier.
- Dr. Entman addressed finding out how many Palencia residents use the fishing pier.

• Discussion ensued regarding the configuration of the fishing pier. Ms. Tharpe will continue to try to get additional quotes.

# SEVENTH ORDER OF BUSINESS District Manager's Report

- Ms. Davis noted the emails the Board received about the records request and the charges. She noted the Board has not requested invoices and receipts be included in agenda packages noting it would make for a voluminous package. Additionally, there are ADA compliance concerns that would need to be addressed with the website vendor.
  - Ms. Moss suggested if any Supervisor wants any changes, they put it on Supervisors' Requests.
  - o Dr. Entman noted he would like to include on the January agenda for discussion.
- Dr. Entman inquired about the cash balance noting it is high with short term interest rates available at 4%.
  - Ms. Davis noted assessments are just starting to come in and \$595,000 of that balance came in on November 29<sup>th</sup>. Some of that goes to the Debt Service Funds. Sometimes there is a note including indicating they will be transferring to other funds. It is important that they check on the rates that may be available, and also to look at what the cash needs are going to be to make sure they still have cashflow.

# SEVENTH ORDER OF BUSINESS Attorney's Report

- \*\*A. Consideration of Resolution 2023-4 Setting the Public Hearing for the Revised Amenity Suspension and Termination Rules
- Mr. Eckert noted he has four items, one of which they need to take action on. It is Resolution 2023-4 setting the public hearing on the new disciplinary policy they discussed at the last meeting. He inquired if there was any public comment on this item.
- Hearing none,

On MOTION Mr. Hoffman seconded by Dr. Entman, with all in favor, Resolution 2023-4 setting the public hearing for the Revised Amenity Suspension and Termination Rules for January 18, 2023 was adopted.

• Mr. Eckert noted the next item is a letter regarding the insurance denial requesting they revisit it. He will keep the Board posted on it.

- Mr. Eckert noted next is that the Amended and Restated Disclosure of Public Financing approved at the last meeting has been recorded.
- Mr. Eckert noted he also reported to the Board on the piece of property along US1. It is within the District boundaries. It is not within the old District boundaries but was added at some point. They should probably make sure the maps they have of the District reflect all the boundary amendments that have happened.
  - o Ms. Davis requested Mr. Stilwell make sure the map on the District website is correct and if not, they will need a revised map.
- Mr. Eckert noted at the last meeting a question was raised on how they deal with a sex offender noting St Johns County has an ordinance that deals with that creating safety zones within certain areas within the County. He has taken a look at the Ordinance and, based on his interpretation of the Ordinance, the District's amenity facilities would be covered by the Ordinance. Therefore, he has given the advice to the Amenity Manager not to issue access cards if somebody is a registered sex offender with the rationale being they are required by Chapter 190 to follow all County Ordinances and issuing a card would be perpetuating a violation of that Ordinance and he cannot recommend that to the District.

# NINTH ORDER OF BUSINESS Supervisors' Requests

# A. Discussion of Traffic Reports (Supervisor Moss)

- Mr. Riley noted at the last meeting a question was raised as to the purpose of the reports.

  He wanted to hear what the question really was so that he might offer some information.
- Ms. Moss noted she was going to propose to the Board that the traffic speed reports be eliminated from the agenda book. Ms. Tharpe speeds 30 minutes when she gets the reports trying to cull the report down for the Supervisors for the 25 highest speeders. If they want to review the reports on speeding, they can do so by going to Ms. Tharpe's office.
  - Further discussed ensued on the data received. Ms. Tharpe noted she passes on the areas of concern to the SJCSO but she does not know what they are doing with it once that is done. It was suggested they provide the data in electronic format to Mr. Luciano to see if there is a way to sort it.

## **B.** Comcast Discussion (Supervisor Moss)

• Ms. Moss reported she and Ms. Tharpe met with Ms. Jackie McClurken and Mr. John Smith to talk about Comcast. SCCDD is going ahead with Comcast and is working on a

contract. She is asking if the Board is interested in Comcast coming to present to the MCCDD Board in January.

- Dr. Entman noted he would like to wait until SCCDD does their thing to see how that goes. He noted AT&T and Comcast are among the highest internet charges in the business.
- Mr. Luciano noted when he did a study three years ago, he looked at neighborhoods that only had Comcast and AT&T and the rates were significantly higher than their current rates. Nocatee, three years ago had Comcast and AT&T and were at \$200 for TV and internet. He pays \$110 with Wayfly. He wants to make sure they do not make short-term decisions that impact residents over the long-term.
- O Mr. Hoffman noted given the choice between Wayfly which is a good service at a low price and AT&T which is a premium service at an increasingly high price, two-thirds of the people have gone to AT&T already. He thinks if they had a second high priced service like Comcast the people who want to keep the low price will keep it.
- Ms. Perna noted she thinks the philosophy when they have a lot of younger families who work from home and have children who stream, who need reliable, dependable, fast internet, they need to have an AT&T or Comcast and they want those choices.
- O Discussion continued on internet services and installing fiber optics. Mr. Hoffman suggested having Mr. John Smith come in to talk with the Board in January rather than Comcast at this time.

#### TENTH ORDER OF BUSINESS

Acceptance of the November 2022 Financial Statements and Approval of November 2022 Check Register and Invoices

Labor Rates:Labor Labor, to remove and expose of existing units along with installation of 2 new heaters. NOTE: we are not a licensed gas company, therefore you will need a gas contractor/company to handle the gas connection after the heater is installed. Zach and Shane discussed this, Shane believes Griffiths gas has done work for the community before, so he may be a good contact for this.	1	1,050.00	1,050.00		
Also, if we get an approval by Monday 12/19 before 12p, we can promise to have the heaters installed by no later than Thursday 12/22. We would recommend if you could reach out Griffiths today to see if they can accommodate your request by Christmas to connect the gas. If not, we would like to provide 1 contact that we have used before, it is JD Chambers of JD Chambers Heating and Cooling, his phone # is 904-625-0469. If Griffiths cannot accommodate, I would advise JD Chambers that you are a customer of Big Z Pool Service (Zach Sullivan) and he may make you a priority if he can.
